

*Sunday, April 19, 2009*

As the world seeks to entice us away from Christ, He draws us closer to Him through the power of the Word and Sacraments. And, as he draws us closer to him, we continue our 5-week worship and preaching series where we discover what Christ-like qualities He wants us to display in our lives today. A special welcome to Pr. Emeritus Charlie Lentner for helping out this weekend!
