

**Life Together:
Living For God through One Another
James 1:17-18**

“Every desirable and beneficial gift comes out of heaven.”
—The Apostle James, the half-brother of Jesus

Consider these things first before you consider what it means to “do life together”:

God is Good

He Only Gives Good Gifts

The Way God Gives is Good

He Gives Constantly

God does not change...He is good.

For Thought:

Why do you think God calls us to “do life together” in the context of groups or ministries? What does it mean to say in ministry, “No one is a Lone Ranger—even he had Tonto!”

Small groups, ministry teams, families, believers working together are all part of the “good things” God gives. Where are you contributing to the GROUP effort?
