

Fairlawn Lutheran School Toddlin' Parent Participation Form

Dear Parents,

Because you are here with your little one, the participation factor is different. You will be involved with your child daily in our Toddlin' with Jesus class, but we can still use you in the school for other items. If there is an item you are interested in, kindly check it and turn the form in to Ms. Karla the next school day. The state requires this form be turned in even if you can't help. We appreciate your help, and look forward to serving you.
