

New Bible Studies Begin in November

NEW STUDIES SUNDAYS AT 10AM

Catechism 101/New Member Class

In Luther's words, the catechism "is a short summary of the entire Holy Scripture."

It is a summary and guide for believers, as they learn and reflect on the truths of God's Word. In this *Foundations in Faith* series we will explore Luther's Small Catechism and is designed as an introduction or refresher course. Ideally, participants will learn how the catechism presents God's Word in a clear, understandable way, in order to bring God's people to faith in Christ and to a daily life shaped and empowered by Word and Sacrament. (Led by Pastor Gau-Choir Room)

Stress Busters

Life can be overwhelming!

Is there a source of relief from the tension and stress? Yes, God promises to never leave us or forsake us. He promises to supply all of our needs according to the riches of Christ Jesus. We will spend some time looking at specific life situations that are stress producing and seek the wisdom of God's promises to enable us to hold up under the stress.

(Led by Pastor Jeff Stephens – Fellowship Hall)

Family Foundations

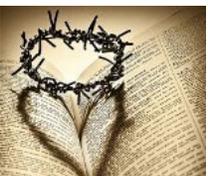

How do we keep a Godly focus on our marriages and families?

The family as a God designed unit has been under attack for decades. It is interesting to note that many of us have a vision for our careers, what about a vision for marriage or families? According to the Bible, we are provided with a strong vision of what marriage and families should be like. We will draw a profound portrait of marriage and families from the pages of Scripture that points us back to the relationship between God and man. The result is a vision

for marriage and family that is refreshingly frank and unsentimental, yet hopeful and beautiful. All welcome! (Led by Tim/Heather Keller - Library)

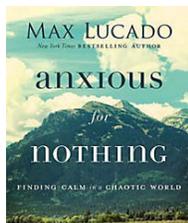

The WHOLE BIBLE

Did you know that the Bible has an overall story arc?

The Bible is not just a collection of 66 books, but one single overarching story. The bible is not about what we must do, but about what He has done for us and why this is important and significant for contemporary human beings today. In a few weeks, we will cover the WHOLE bible from creation through His return. How exciting it is to see the BIG PICTURE! (Led by Blaise Congeni/Dave Kohlmeier - Chapel)
