The Real Jesus: Selected Studies from the Gospels

Location: Chapel

Facilitators: Blaise Congeni, Dave Kohlmeier

The bible teaches Jesus as fully God and fully man. Have you ever wondered how that could be? Have you ever wondered about the historical Jesus? This series is created from messages delivered by Tim Keller, Ravi Zacharias and Phillip Yancey's book and guide, *The Jesus I Never Knew*. We will explore what Jesus said about Himself as revealed in the Gospels, and what He said about His relationship to the Father and the Spirit.

Faith at the Edge

Location: Fellowship Hall

Facilitators: Pastors Jim Gau & Adam Thompson

This past summer, our pastors developed a sermon series that began a discussion regarding what the Word of God says about some of today's "hot topics". This session will delve deeper into these topics, inviting us all to understand God's perspective on marriage, gender identity, homosexuality, diversity, suicide, abortion, and addiction.

The Art of Parenting

Location: Choir Room

Facilitators: Tim and Heather Keller

These kids are driving me crazy! How can I deal with them? The Art of Parenting focuses on raising well-adjusted children who are empathic, loving, intelligent, and happy. Join us for this multi-week discussion with other parents. Whether you are a new parent, a parent to teens, or a step-parent, this course will have practical helps for you. The session includes video interviews with dozens of parents and family experts, as well as a wealth of helpful articles and ideas.

Fusion: Trees of the Cross

Location: Library

Facilitators: Sue Tauchen, Kim Hornyak

Did you know there are certain themes laced throughout the bible? This Fusion Bible study series examines one Biblical theme - trees-in order to demonstrate how the Old Testament foreshadows the events of the New Testament, and how the Bible uses themes to teach us about salvation.
