

God: Ex 3:1-14

Chapel Bible Study

January 16, 2022

- I. God is real and can be known.
  - a. With fire as the metaphor, God is untamed and was not created by you and does not depend on anything to exist.
  - b. His name is the verb “to be.”
  - c. This could be translated-“tell them being itself sent you.”
  - d. Everything else in the world has a cause, but the world does not depend on you so RELAX.
- II. God is a personal God (not a force) and we must know him.
  - a. You know fire experientially, and you can use all 5 senses.
  - b. BP had an experience with God and it was connected with fire. 11/3/1654. He sewed this into the fabric of his coat.
  - c. Having a relationship with God is holding on to what you know in spite of your **feelings**. Ep 3:17-19, Ps “taste and see.” clip 15-23.
