

FAIRLAWN LUTHERAN ACTIVITIES SUSPENDED UNTIL MARCH 31 - WORSHIP SERVICES WILL CONTINUE

*March 13, 2020--*The Leadership Team has decided to suspend **ALL activities at Fairlawn Lutheran, EXCEPT for worship services through March 31**. The situation is fluid so we will use our website (www.fairlawnlutheran.org), the school website (www.fairlawnlutheranschool.org), our Facebook page (Fairlawn Lutheran Church and School), e-mail, and Instagram (FairlawnLutheran) to provide information and updates.

Regular services will continue on Saturdays at 4pm and Sundays at 8:45 and 11:00am; however, there will be NO Sunday coffee service, Sunday School or Sunday Bible studies. When we gather for worship, we will continue to offer Holy Communion, and the common cup will be available for those who want it. For the sharing of the peace, we will be encouraged to do so by bumping elbows or without touching. We will also have hand sanitizer for you to use when you enter the sanctuary. Greeters and Ushers will welcome you, but not shake your hand. If you don't feel well, or are ill, we ask that you please stay home. **On March 22, there will still be a single service at 10am**, but our school children will not be singing.

We are working to **stream our 8:45am service on the Fairlawn Lutheran Church and School Facebook page during this time** – the video should be available to all regardless of whether viewers have a Facebook account.

We will **continue to have Wednesday Lenten services**, but NO meals prior.

Additionally, **typical weekly activities are suspended for the rest of the month**. Off-site groups can meet at their discretion.

Fairlawn Lutheran School is also closed for this time period.

From Pastor Gau: "We are people of faith and belong to the Lord! He holds us in His precious hands and whether we live or die we are His treasured possession. NOTHING will ever change that. We are also people who have been given wisdom and knowledge from our Creator, so we use that as we live out our lives while on earth."
