## SUNDAYS, 9:00AM

### **Are We in the End Times?**

What crazy, and even dangerous, times we are living in! COVID, riots, racial unrest, fear, loss of jobs, future uncertainty. More than one person has asked if we are living in the end times. What does God's word say about this? Come learn what God teaches about the last days and His return.

*LOCATION: Fellowship Hall (audio also available) LEADER: Pastor Jim Gau*

### **The Parables of Jesus**

A parable is a simple story used to illustrate a moral or spiritual lesson. Come learn about the parables in the Bible and how they seek to "depict a concrete depiction of a cosmic truth." Parables lend themselves well as independent units of study, so drop-ins are welcome. Join us as we derive new insights on spiritual truth.

*LOCATION: Chapel (audio also available) LEADERS: Blaise Congeni/Dave Kohlmeier*

### **High School Bible Study**

All teens in grades 9-12 are invited for Bible Study and discussion and focuses on God's plan for them.

## ONLINE

### **Jesus Among Secular Gods (YouTube/FaceBook)**

Posted Sundays on Fairlawn Lutheran YouTube/Facebook

Only the truth of Jesus can answer the deepest questions of life. As belief in the secular gods of atheism, hedonism, relativism, and humanism continues to grow, it's more important than ever for believers to be able to defend and share the claims of Christ. Of course, this clash of worldviews is nothing new. The popular "isms" of the day may try to answer how, but the most important question is why. We'll use selected scriptures and a study by Ravi Zacharias as a guide.

*LEADER: Tim Keller*
